## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2019 LEGISLATIVE SESSION**Analysis**

This legislation amends AS 14.17.510(a) by repealing the language that excluded the assessed property values of oil and gas production and pipeline property from the required local contribution calculation if the municipality was not levying a tax on those properties. This bill would expand the exclusion on the assessed values of oil and gas production and pipeline property to all municipalities, since they would no longer be able to collect taxes on the value of those properties effective July 1, 2019.

*The funding mechanism is a general fund transfer to the Public Education Fund (PEF). The fiscal note effect for FY2020 through FY2025 is reported in the fiscal note for the PEF, as the funding is deposited to the PEF not into the Foundation Program funding component. The above analysis is presented here for explanation purposes only.*
